**FEES : TBD**

**RESIDENTIAL**

BEYOND THE CLASSROOM

# 7-day Itinerary

**DAY 1: ARRIVAL AND ORIENTATION**

Students arrive in London and take the transfer coach from Heathrow at 11:00. After reaching campus, they receive a London orientation to get familiar with the area and settle in. The day ends with welcome games that help everyone meet and interact.

**DAY 2: OPENING AND ACADEMIC INTRODUCTION**

The day begins with a welcome ceremony followed by the first maths lecture and a mathematical escape room activity. Students then visit UCL and LSE to explore top London universities.

**DAY 3: CAMBRIDGE ACADEMIC EXPERIENCE**

Students travel to Cambridge for a full day excursion. They enjoy punting on the River Cam and attend a medical research lecture on the Naked Mole Rat by Dr Ewan Smith. The day ends with an engaging quiz night.

**DAY 4: OXFORD EXPLORATION**

Students visit Oxford for another academic excursion. They explore an Oxford University college and take part in an engineering session focused on key principles of engineering. The evening is kept free for rest and relaxation.

**DAY 5: MEDICINE, UCAS, AND IMPERIAL VISIT**

The day starts with a UCAS session on personal statement writing. Students then attend a medicine lecture that includes an interactive diagnostic workshop. In the afternoon they visit Imperial College and the Science Museum.

**DAY 6: LAW, INTERVIEWS, AND CELEBRATION**

Students begin with the third UCAS session on Oxbridge interview preparation followed by a law lecture on international law in everyday life. They then enjoy a scenic cruise on the River Thames. The day ends with a graduation dinner and leaving party.

**DAY 7: DEPARTURE DAY**

The departure coach transports students to Heathrow and the program concludes with final departures.
